

Aunty's Place Early Learning Center Teeth Brushing Policy

DCYF requires the following: "At least once per day, an early learning provider must offer children an opportunity for developmentally appropriate teeth brushing activities."

Aunty's Place will make it part of the children's daily routine who are attending in the early mornings and late evenings.

If you would like to have your child(ren) participate, **you must provide a labeled toothbrush and toothpaste for your them.** Children will be given the opportunity to brush their teeth after their breakfast and in the evening before bedtime.

Please choose to opt **in or out** of this activity and sign below.

☐ I opt **in** of my child brushing their teeth at Aunty's Place Early Learning Center & Child Care Center

☐ I opt **out** of my child brushing their teeth at Aunty's Place Early Learning Center & Child Care Center

Thank you,
